

#### 4. Seven day workshop based on NAAC assessment new guide and awareness

**Make a policy for governance in the organization: Dr. Usha Kiran Aggarwal**

**Seven day NAAC Criteria based workshop is in progress at Digvijay**

Internal Quality Cell, Sh. A seven-day workshop based on NAAC assessment, new guide and awareness is in progress under the joint aegis of Digvijay College, Rajnandgaon and Arts and Science College, Pulgaon, Maharashtra. While the college professors and employees are participating through offline medium, the college professors are connecting daily through YouTube live and online medium.

In this series, on the subject of college governance leadership and management based on the sixth criteria of NAAC. Dr. Usha Kiran Aggarwal of Doodhadhari Bajrang Girls College, Raipur presented her lecture. The program started with the welcome address by the Principal of the college, Dr. K.L. Tandekar, then Dr. Aggarwal presented various points of Criteria Six through facts.

Dr. Aggarwal told that NAAC evaluates the institution from the governance of the college, which includes division of tasks in the institution, determination of goals, determination of strategy for work, utilization of resources, determination of budget, use of electronic resources in governance, officers and employees. Points like policies made for the welfare of people, organization of seminars, workshops, finance audit etc. were explained in the lecture by giving examples.

At the end of the program, Principal Dr. KL Tandekar said that for the growth and progress of any institution, efficient governance and management is required. Dr. Tandekar expressed his gratitude to the guest through a memento certificate and a sapling. This program was conducted by Dr. Anita Saha of Internal Quality Cell.
