- In semester III option for project is there. The project will be done on willingness of students in month of Feb.

For upcoming years

Suggestion:- The suggestion had been given to start the project work in forth semester for the students who scored more than 65% marks in sem-2 and 3 with in the department in place of theory papers. That is in Semester-IV instead of theory papers project work should be introduced for 6 months and they will submit Dissertation and will give seminar based on project along with viva-voce.

The valuation of all the projects will be carried out by the external Examiners. These suggestions will be implemented in upcoming years.
