5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

We have a registered college Alumni Association under Society's Registration Act, 1860. Membership to the alumni association is free. Association regularly meets and interacts with the college administration. Annual Alumni meet is organized yearly at institutional level apart from alumni meetings in the departments. The alumni of the institution have given their contribution through funding for labs (they have donated for chemistry and central lab), donate books for college library, have funded for construction of chemistry building. Few alumni members have also funded free education to needy BPL students. Main objective of the Association is to bridge the gap between the college students and alumni. They are pride of an institution. In our institution all the departments regularly organize alumni meetings and they spend time with their juniors and share their educational experiences. Institutional Alumni are an effective role model for the students. Experiences shared by the alumni with students whether about time management, financial management, development of self-discipline and character or career management can be more easily accepted as a guidance and inspiration for students. The alumni are the best career mentors. They give valuable advice to postgraduate and graduate students of the final year. They provide their valuable guidance to students regarding how they can get jobs in private and government sectors. They share their own experiences and keeping this in mind the alumni are invited as members in the meeting of the Board of Studies, to provide thoughtful and valuable suggestions during the meeting. Besides that, the alumni contribute their expertise related to their occupation for developing new study programs in the department as well as college. Alumni also contribute services as guest lecturers, advisors, industrialist experts, and entrepreneur and cooperative partners in projects with the college. Some of the alumni of the college have their small industries in the city and it opens new job opportunities for the students. Alumni, especially the senior ones who are more stable from economic prospective, are able to reduce the financial burden of college by providing economic help to the college. The endowment fund sustains the sponsorship of significant programs, scientific research, library, furniture and scholarship for economically poor students.

Examination and Evaluation

Continuous evaluation of student is

achieved by Internal Assessments, Quarterly Examinations, Paper presentations, Group Discussions, class seminars etc. The answer sheets of the internal assessment are shown to the students to rectify their flaws. The examination schedule is communicated to the students immediately after the commencement of the classes. The PO, PSO, and COs are displayed on the website and are evaluated by the evaluation committee once every year.

Teaching and Learning

Teaching-learning The admission is made online on the basis of merit, reservation policy of the government and weightage given on sports NCC performance. The institute has satisfactory faculty members still the vacant positions are fulfilled by appointing Contract faculty. The teaching methodology of the faculty is student centred. Remedial teaching for slow learners and Enrichment programmes for advanced learners are provided. Academic calendar is prepared at the beginning of session and teachers prepare teaching plan as per calendar. The lecture method is adopted for teaching but it is handled in an interactive and creative manner. Computer assisted and projectbased methods are used in most of the courses. The faculty members attend and organize seminars, workshops, lecture series etc. to learn the fast developments in various disciplines. Students participate in teaching learning through projects, seminars and assignments. The College has fully equipped modern e-classroom and smart classrooms. To identify slow and advanced learners, every class is monitored by teacher mentor. The mentor facilitates learning of the students and helps them in solving academic problems.

Curriculum Development

Curricular Aspects The institute offers 44 programmes at UG and 18 programmes at PG level including programmes in languages, Humanities, Commerce and Science. As members of different academic bodies of the university, 20 professors are actively involved in the design and development of the curriculum of various academic programmes. The curriculum is updated by all departments yearly by organising

meeting of board of studies, to prepare the students meet the emerging national and global challenges. The panel for BOS includes subject experts, one alumnus, one student and one Industrialist. The execution of curriculum is ensured by fixing academic calendars, time tables, teachers' work plan, work diaries and frequent and timely monitoring of the coverage of syllabus by the faculties in-charge.

Human Resource Management

The internal policies and programs are set by the Principal with association of Heads of various departments, conveners of different committees, librarian, members of teaching and nonteaching staff. The budget allocation to the college is made by the State Government, RUSA and UGC which is distributed to different departments for various activities by the approval of Finance and Janbhagidari committee. For good governance and administration the institution has Janbhagidari Committee, various core committees, participation of stakeholders via feedback mechanism to get good suggestions from students, parents, alumni employers. The suggestions received through feedback are worked upon after analysis of the feedbacks. Periodical meetings of different committees are organised regularly to review the implementation of plans and strategies made. The faculty members are encouraged to attend academic and professional development courses including Orientation, Refresher courses and others. The financial transactions are audited by internal as well as external audit committees.
